

Gender Neutral Toilets Standing Policy

Proposed By: Gabriel Harris

Seconded By: Parker Hollants

This Union Believes:

1. All students have the right to feel safe and comfortable on campus
2. Facilities on campus should feel accessible to all students
3. Trans*, non-binary and Gender Non-Conforming students are welcome and valued members of Central's community

This Union Further Believes:

1. Increasing the number of gender-neutral toilets is a valuable measure in making Trans*, non-binary and GNC people feel safer and more comfortable at Central.
2. Trans*, non-binary and GNC students have the right to express their identity freely and without scrutiny
3. The Accessible Toilets functioning as the only Gender-Neutral toilets on campus is not a viable substitute and is detrimental to those with access needs.

This Union Resolves:

1. To work to increase the number of available Gender-Neutral toilets on campus
2. To campaign to update the signage on some single-gender toilets to allow for more gender-neutral facilities
3. To continue to work to provide sanitary products available in gender-neutral toilets, as well as female toilets.
